Quantity	Description of Property	Value

On Jan 30, 2018 R/o was called by Library worker Maryann concerning complaints she had been getting from people coming to the library and being stopped by a person after getting out of their vehicles and the person wanting them to sign a petition. R/o approached the petitioners and asked them to leave as we did not allow ~~out~~ soliciting on Mall property without management approval. She began saying the laws have been changed and she has the right on library grounds as they are public. R/o again asked her to leave and when she wanted names, badge numbers and was almost belligerant R/o called SJPD non emergency and asked for an officer. R/o went back inside library and Maryann again said they did not approve her to be doing the soliciting. When SJPD arrived R/o turned the situation over to Officers B Hailey and M Knecht. When Mrs Arnold kept refusing to leave Officer Hailey asked if we wanted to prosecute Mrs Arnold, R/o said no as R/o could tell she was not going to leave. Officer Hailey put restraints on Mrs Arnold and tooked her in the police car. ~ ~ ~ EoR ~ ~
